Dear Mr. Yee:

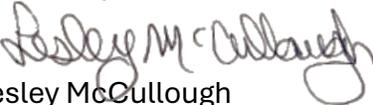

**Re: Query to Yukon Utilities Board – Redactions on YEC’s 2023-24 GRA Cost Claim**

I want to apologize for not responding earlier to your e-mail correspondences of December 23, 2024. Quite simply, we thought that your correspondence had actually been answered so I would also like to thank you for your letter of March 4, 2025, which identified that a response was outstanding.

In respect of that December 23, 2024 correspondence, the Board would refer you to our previous letter of September 4, 2024, advising that the Yukon Utilities Board would not accept the unredacted documents pertaining to the YEC costs claim for the 2023-24 General Rate Application that you attached to your August 29, 2024 e-mail, and did not distribute nor review those documents.

I must also note that, at the time of your December 23, 2024 correspondence, the period for commenting on cost claims had passed.

Yours truly,

  
Lesley McCullough  
Acting Chair
